It is with great pleasure that Salem University would like to inform you of grant funds that the U.S. Department of Education has made available to our campus based students that have been impacted by the COVID-19 virus.

If this pandemic has impacted you, please respond to this e-mail, and we will send you an application to apply for funding via DocuSign. An example of the application is available for your review ([Click Here](#)). A check will be mailed to the address you list on the application beginning in the month of May and will continue as long as you are attending a class each month until the funds are exhausted. We know these are trying times and this pandemic has impacted us all in several ways and hope that these funds will ease your financial burden slightly.

We look forward to continue serving you as you pursue your educational goals at Salem University! Stay healthy and safe during these unprecedented times!
