

Campus Arrival Guide

IN THE CLASSROOM

Face masks are required while in the classroom. Social distancing should also be observed. Classrooms will be cleaned in the morning and afternoon daily. Industrial cleaning, including electrostatic disinfectant, will be performed in the classrooms and other common areas weekly.

RESTROOMS

Use of restrooms should be limited based on size to ensure at least 6 feet of distance between individuals. Wash your hands thoroughly afterward to reduce the potential transmission of the virus. Twice daily cleaning will continue. Industrial cleaning will be performed weekly.

ELEVATORS

Due to physical distancing requirements, no more than 2 people should be in an elevator at a time, so please use the stairs whenever possible. If you are using the elevator, wear your mask or face covering and avoid touching the elevator buttons with your exposed hand/fingers, if possible. Wash your hands or use alcohol-based hand sanitizers upon departing the elevator.

GROUPS

Convening in groups increases the risk of viral transmission. Students are to avoid gathering in large groups. Please be aware of posted room capacity. The Tigers Den is limited to 20 individuals. Residence Hall common areas are limited to 10 individuals, at one time. Observe social distancing of 6 feet at all times.

MEALS

Aladdin guidelines require face masks when in the cafeteria, except while eating. All food will be served behind the line. No buffets will be offered. Tables and chairs have been placed with social distancing requirements in mind. **DO NOT MOVE FURNITURE.** Social distancing will be strictly enforced. Directional arrows have been posted due to social distancing. Overflow seating will be provided in the Powell Lounge. Additional overflow may be available in the Alumni Honor Hall.

Meals options include:

- Dine-in
- Grab-n-Go

BUILDING ACCESS

Entrance and exits of all campus facilities will be clearly marked. Do not hold or prop open exterior doors. Visitors will continue to be restricted. Please be aware of directional arrows and signage.

SHUTTLE SERVICE

Shuttle service to the Pittsburgh Airport and Bus stations will continue to be available. To sign up for a scheduled time, please visit: <https://doodle.com/poll/849xdccyesuay6m6>.

Masks will be required while in the shuttle. Temperatures will be taken before entering the shuttle. High fevers (100.4 degrees or higher) will require a student to find alternative transportation, at their own expense.

Other shuttles to Walmart, DMV, Social Security Office, Doctors/Dentist/Counseling offices and the Mall, etc. will be offered by request only. The above requirements will be in effect. To request, contact Dean of Student Affairs, Dennis McNaboe, at 304-326-1482 or DMcNaboe@salemu.edu
